

Limited Lifetime Warranty

Jan Fence, Inc hereby warrants that its super-durable TGIC powder coating aluminum fence assembled with stainless-steel fasteners will not peel, crack, chip, or blister for as long as you own the fence.

The aluminum fence is specially designed and made out of extruded aluminum, Alloy 6063-T5, Jan Fence, Inc also warrants that its aluminum fences will be free from material defects.

This warranty does not extend to damage caused by alterations, negligence, mishandling or Acts of God. Jan Fence, Inc will replace the defective parts at its discretion if the product fails to conform to this warranty. Labor costs of the installation will be the responsibility of the customer.

In adverse environments such as coastline, more frequent cleaning is needed at least once a year from the date of installation.

DO NOT USE ORGANIC OR INORGANIC SOLVENTS TO CLEAN THE COATED EXTRUSIONAL/ALUMINUM PARTS. The solvents can react with the polymer matrix and soften the coating, thus affecting the weathering properties and will void the warranty.

Product installed within 0 to 1 mile from the saltwater coastline shall be covered under this warranty for a period of (1) year from date of installation.

To file a claim, provide Jan Fence, Inc with written notice, description and photographs of the defect, and proof of purchase.
